

DOMESTIC CHURCH FAMILIES

Key Knowledge

The **Creation** story from the **book**

of **Genesis** is a way of explaining that God created the earth and everything in it; that is what Christians believe.

A **psalm** is a **prayer song**.

Every day and night we can look around and see all that God made and remember that God made us too. God was there at our **beginning** and is with us always.

St Paul was a great apostle who travelled to many different places to tell people about Jesus Christ and God the Father's plan for them.

The world is a treasure (based on Genesis 1:3,9,20,24-26)

God said, "Let there be light," and there was the sun.
God said, "Let there be water," and there were the seas.
God said, "Let the seas be filled with living creatures and the skies be filled with flying creatures." And they were.
God said, "Let the earth be filled with animals," and so it was.
God saw that it was good.
So then God created men and women who would love and care for the world.
God looked at all creation and it was very good.
