

Dear Parents/Carers,

I hope this letter finds you and your families well. I also hope that your child is looking forward to returning to school tomorrow morning. I am writing to inform you of the arrangements for the coming term at Holy Rosary. I'd like to thank you for your patience with this information as we awaited further guidance.

First of all, I'd like to take this opportunity to thank you for your kind words and prayers for Mrs Dabrowska and her family. Mrs Dabrowska will continue with her administrative work in the coming term but will be spending time away from school to support her son during his treatment for leukemia. Please be patient with us as we adapt to this change and, wherever possible, contact Mrs Faircliff on enquiries@hrb.srscmat.co.uk or using Class Dojo with any office enquiries.

The coronavirus continues to have some impact on the day-to-day running of school and I want to thank you in advance for your support in helping us keep everyone safe. Although bubbles are no longer in operation and we are beginning to return to our pre-pandemic structure, we will maintain some staggering at the start, during and at the end of the day to limit the amount of adults on site at any one time. Timings for arrival, break, lunch and collection can be found below.

FS1 (Pre-school)	9:00	FS1 Classroom	Free Flow	12:00 – 13:00	15:30	FS1 Classroom

For the first week, timings are flexible until you are able to adapt to the new routine. If you require wraparound care for your child, please contact Arty Ems on 07977591441. Arty Ems is available from 7:30-9 and 15:20-17:30 each day.

Adults are no longer required to wear masks when on the school site but should continue to observe the one-way system, giving others as much distance as possible. Parents and carers are also asked not to enter the school building unless a meeting has been arranged.

From tomorrow, there will be a number of changes to the systems and routines of the last year. We will support pupils in the coming weeks with these but please let your child's class teacher know if your child is struggling and, as a team, we will do what we can to help.

As a staff, we are really looking forward to the coming academic year and we are excited to see your child back in school tomorrow morning.

With best wishes,

Mr Brogan
Headteacher
